

Groom

*Tummy Tub
bathtub*
\$47

- Infant tub – Turn to page 72 for helpful tips on choosing a tub.
- Hooded towels
- Washcloths
- Baby wash
- Thermometer
- Nasal aspirator

*FarmBaby
body wash*
\$8

- Baby nail clippers or file
- Baby brush and comb
- Infant tooth and gum cleanser
- Mild laundry detergent – Baby's sensitive skin may be irritated by chemicals found in some detergents, so consider choosing a formula made especially for wee ones.

*CoZibug
towel*
\$50

*Exergen
thermometer*
\$60

Baby registries are an efficient, useful means of letting friends and family know just what sorts of baby goods you're in the market for —plus they limit your likelihood of receiving three diaper pails, six hooded towels, or a lime green play yard that completely clashes with your pastel color scheme.

Who said changing diapers stinks? This odor-containing diaper disposal system allows for hands-free mess management.
